Success Talk is not about making public speeches. It's about how anyone can learn to communicate ideas to an audience - effectively, persuasively and simply. In this powerful book, James C. Humes reveals the secrets and formulas that have helped otherwise ordinary people, such as Churchill, Thatcher, Reagan and others, become great leaders. You too can better succeed in life, in business, in politics, in love -- in every walk of life -- by learning to become a better communicator!
