

The Registered Process Server's Guide to Service of Process in California, 2010, Tony Klein, Process Server Institute, 2010

The book explains the proper procedures for service, defines legal terms, provides a service checklist for process servers before, during, and after service, and describes how to operate a successful process serving business. Although the book is written based upon California law, it covers topics that are universal to all process servers in any state. It is an ideal source for training process servers. -- from publisher's web site.
